August 21, Wednesday
3:00 PM Town Hall

Beth Isler of the Boston Region Metropolitan Planning Organization (MPO), **Sharon Wason**, Foxborough Town Planner and the **Foxborough Commission on Disability** will hold a Livable Community Workshop (LCW) that will discuss how to provide accessible routes between parking spaces and building entrances.

- This workshop will describe the elements of an accessible route from a parking space to a building entrance.
- The workshop will include an overview of dimensions of accessible parking spaces which provide enough room for unloading/loading.
- The Foxborough Disabilities Commission will be the main audience for this workshop.
